Low Cost Empire Volume 10: MS Word Fillable Forms

Synopsis

This book is meant for the everyday MS Word User that wishes to learn the solid basics as to creating Fillable Forms in MS Word. We thoroughly go over the both the original Legacy package as well as the new Content Control package. When you are done with this book, you will be able to comfortably create Fillable Forms for your business as needed. This is the second book of the Low Cost Empire Series having to do with using MS Word for small business owners (the first book being MS Word Merge for Small Business) and when you know this particular skill, you can save significant time and money by learning how to create your own forms as needed. Whether your business uses 1 form or 50 separate forms this book is for you!

Customer Reviews

It is, indeed, a great skill to know how to create fillable forms and this book is an excellent teacher. It is very easy to understand. The author is very good at explaining what needs to be done and this book should be pretty easy to comprehend even for someone who is fairly new to Word.
