365 Days Of Gratitude: Photos From A Beautiful World

Synopsis

“When I looked for beauty every day, I found it. Large or small, I found it. And in far fewer than 365 days it hit me at a very deep level that we live in an astonishingly beautiful world. The more we focus on the beauty in the world, the more we live in a beautiful world.” -Catherine Ryan Hyde

Customer Reviews

From bee on a flower to photos from distant lands Catherine Ryan Hyde has done a great service sharing her book *365 Days of Gratitude*™. Her photos show nature: sunrise, sunset and in

between, trees, flowers, birds, butterflies, insects, animalsâ "all kinds, sky, clouds, mountains, and more. In words, she tells what they mean to her. Some words cannot express the beauty you will see. Trails hiked, paths walked. All show lifeâ 's beauty we sometimes neglect to see. Even her friends, Jordan and Ella who give her so much joy, make this book full of love for life. From rising sun to rising moon, humming bird to vulture, lets you see the in between. Sheâ 's not only a wonderful writer of the word, but through her eyes you will see a beautiful world. Mine started years ago with a butterfly. So I was happy to see many Flutterbyâ 's among Hydeâ 's photographs. Take a moment and spend time in this book. It may start you on your own journey seeing a beautiful world. Your-Gratitudeâ 's. Even on my small black and white Kindle I was able to see the beauty. I saw the yellow swallowtail and it took my breath away. Iâ 'd love to see this book in large full color book on coffee tables.

My intention was to read one "gratitude" each day of the year. In reality, I read through the book in about a week - just couldn't discipline myself to stop with one page! the photos were great and the simple appreciation of all that life and nature has to offer were inspiring. So inspiring, in fact, that I began my own "365 days of gratitude" and have noticed others doing the same...if imitation is the best form of flattery, Catherine Ryan Hyde, be flattered!

We should all see the world as Catherine does. She puts a whole new meaning to "stop and smell the roses". Even the buzzard is worth a moment. Beautiful photos and inspiring insight.
