Gettin' Buck Wild: Sex Chronicles II

Synopsis

Zane's erotic writing has captivated a legion of fans. Her previous short story collection, *The Sex Chronicles: Shattering the Myth*, not only became a best seller but also delivered fully on its promise-exploding the myth that men are more sexual in nature than women and that African American women are particularly inhibited. Now, this second volume of *Sex Chronicles*, *Gettin' Buck Wild*, is Zane's hottest collection yet. Smart, witty, and extremely sexy, with all-new characters and settings, these stories are tailored to women-but perfect for lovers to share. Scenarios run the gamut from committed, monogamous couples looking to experiment to wild, single sisters who form a very unconventional sorority. You'll meet a highly paid, multitasking career woman who gets her groove back in "When Opposites Attract". You'll take a ride with an adventurous couple that tries something new in "The Subway-a Quickie". You'll discover a new way of celebrating Christmas in "The Santa Claus". Spicing up real-life scenarios with over-the-top sexual fantasy, Zane gives listeners the best time they've ever had with an audiobook. Zane is the New York Times best-selling author of, among others, *Afterburn*, *The Heat Seekers*, the *Flava* series, and *Dear G-Spot*. Her television series, *Zane's Sex Chronicles*, is featured on Cinemax, and her best-selling novel *Addicted* has been adapted for a major motion picture. She is the publisher of *Strebor Books*, an imprint of *Atria Books / Simon & Schuster*, and lives in the Washington, DC, area with her family.

Customer Reviews

This is my first exposure to Zane, but certainly not my last. It's fun to read, it's well written, and it's

the kind of eroticism that both involved are supposed to enjoy - my kind. It's also my first exposure to recent Black American writing. I like even more that it's literate and fun to read. Too much of the popular media time shows off the punk/gangster mess. There isn't nearly enough attention paid to the educated, successful, and pleasant African Americans - the large majority, to judge by the company I keep. I know at least a few people that avoid erotica, based on second-hand opinions of bad writing. This book, if you can coax them to read it, might show them that physical affection, good sex, and enjoyable writing can all be found in one place at one time: here. This book deflates lots of bad stereotypes all at once, and I like having my point of view widened like that. Enjoy!

Just like the category of her third category of short stories! I must say I am a true fan of the author Zane. She is a terrific writer and I can't wait until her next book comes out next year. I bought this book when it first came out and I am finished already. Her stories are heart throbbing and sensual! Heat Seekers was moving and if you liked The Sex Chronicles then you will love Gettin' Buck Wild: Sex Chronicles II. I can't wait to see other readers comments I was glad to be the first. Much love and success on your future writings ZANE!

Having read and enjoyed The Sex Chronicles, I had to get my hands on the sequel. Zane's imagination goes into overdrive with stories that are guaranteed to leave you begging for more -- so to speak. The stories vary from sensuous and romantic to wild and kinky, but they all have a similar theme: a woman shattering her inhibitions by venturing into her wildest sexual fantasies. I marvel at this author's ecstatic and inventive writing. I couldn't put this book down. Are you in the bargain for a very saucy read? Get Buck Wild and pick up this book! :-)

If you are looking for romance, then you don't need to read this book. If you are kind of prudish, then you don't need to read this book. If you can't handle a book with some serious sexual content, you don't need to read this book. If you are looking for some good erotic then this is the book for you. If you are uninhibited, then this book is for you. If you are comfortable in your own skin and sexuality, this book is for you. Zane writes books that gives it to you raw. It's erotica at it's best, and it makes your imagination run wild. I enjoyed this book better than the first one. IMHO this book had more stories I could enjoy. I will be reading this book.....OFTEN!!!!

I originally bought this book for my wife while we were on vacation. My thinking was that Jamaica and some Zane would lead to a really FUN vacation. One day, I picked up the book because I

wanted something to read at the pool. After reading a few stories, I needed to take a dip in the pool. Zane does a good job of mizing in romanticism with pure animal lust. It's not overly graphic, but it gives enough detail for the reader to "picture" the events. If your libido or your love life needs a little spice, have both partners read Zane...you'll get ideas and the passion to make things soooo much better.

What can say about this book nothing just speechless it took be less than a week to read this book and I enjoy it morning til night I was evening reading it at work, I just couldn't put it down I was reading some of the stories to my coworkers and they was oohing and aahing. I have read all of her books and nothin but praise for Ms. Zane Well done!

This book is so good. It goes way beyond the first book. I will warn you, you must be ready to read all that she has put in this book. It was a page turner. I got the book on Friday and was done by Wednesday. I have told everybody about this book. I can not say enough about this book. YOU MUST BE READY TO READ IT THOUGH!!!!!!!!!!

WELL I HAVE TO SAY THIS BOOK WAS OK IT WASNT AS GOOD,AS THE FIRST ONE SEX CHRONICLES SHATTERING THE MYTH. BUT IT WAS GOOD,I READ ALL OF ZANES BOOKS BUT THIS ONE WAS LIKE A PORNO MOVIE EVERY PAGE WAS SEX, SEX ,SEX ,NOTHING WRONG WITH THAT(DUE TO THE NAME OF THE BOOK)BUT I CANT PUT MY HANDS ON WHAT BOTHERED ME ABOUT THIS BOOK.BUT I WILL SAY THAT THE STORIES WASNT AS INTERESTING AS THE FIRST ONE.
