The Agreement: Unrestrained, Volume 1

Synopsis

Journalism graduate student Kate McDermott is a good girl who has done everything she can to please her very powerful and domineering father - a Justice on New York's Supreme Court, with hopes for political office. When she decides to write an article about BDSM in popular culture, she tells herself it's just research and nothing personal, for she can't afford to become the target of gossip or scandal. She hopes that the carefully worded agreement she writes up will keep her relationship with the Dominant she will interview strictly professional. Then "Master D" - Drake Morgan - walks into the interview and Kate is mortified for not only is he gorgeous, he's the son of her father's best and oldest friend... Drake Morgan, MD, bass player, philanthropist - Dominant. Known as Master 'D' in Manhattan's BDSM Community, Drake must keep the kinky side of his life secret to protect his very successful career as a neurosurgeon. After a heartbreaking divorce, Drake doesn't do girlfriends, he doesn't do sleepovers, and he certainly doesn't do breakfast in bed the morning after. He keeps everything in his well-ordered life separate and under his firm control. Then Kate McDermott crosses his path and screws everything up. Now, nothing is neat and tidy anymore. And no longer under control, for Drake is smitten and things are going to get messy.... The Agreement will stay with you long after you listen to the final minute. Ages 18+ only for mature content.

Customer Reviews

I received an ACR copy of this book from the author in exchange for an honest review & I have to say that I absolutely loved it! Our hero is the well known, wealthy, smokin' hot, brain surgeon - Dr.

Drake Morgan ("Dr. Delish") by day, but he's also, the dominant, sensual, Master D by night. He likes control, bondage & his women submissive. He is an expert at compartmentalizing his life & never, ever, mixes love with sex... That is, until he meets Kate McDermott - the daughter of his late father's best friend - who he had only heard stories about, but never met. When he finally meets her at a fundraiser, he only knows one thing - he has to have her - but he also knows that because of his lifestyle, it can never happen. She's too innocent & he'd never forgive himself for corrupting her. And, what if her father found out???? Kate is a grad student, currently working as a pop culture writer for a newspaper. She is conducting research on the up & rising world of BDSM. Of course, her curiosity in the lifestyle has everything to do with her article & absolutely NOTHING to do with any personal interest that she may have... Or at least, that's what she keeps trying to tell herself. Through some series of events, she finally meets up with the Dom who will show her all she needs to know about BDSM for her article. However, she never, in a million years, would have guessed just who her Dom would turn out to be..... This is probably one of the best books I've read in 2013 & I've read some really fantastic books this year, so far. The characters are well thought out & written. The storyline will have you anxiously turning pages to find out what happens next. Don't let the fact that this author has only written PRN, so far, in her career fool you.
