I'm a piano teacher in Colorado and I have used this Christmas book for four years, now. Within this book are actually two skill levels and a end-of-first year, second year, and even third year student could enjoy these. Playing to the accompaniment cd is great fun for young and old alike! (The cd accompaniment can be purchased separately). The arrangements bring out the best in the Christmas music and the best in a student! Good selection of various Christmas favorites.

Good selections, well transcribed and kids find them easy to read and play. We have a bunch from this series and kids and teacher all enjoy using these books.

So glad I ordered this book. My daughter has been playing for about three years. This is easy for her, so she enjoys playing all the songs.

This book is such a gem. I noticed the other reviews featured some songs, but not all of them. All the songs in this book are: Jingle Bells, Silent Night, O Christmas Tree, Deck the Hall, God Rest Ye Merry, Gentlemen, Rudolph the Red-Nosed Reindeer, The Night Before Christmas, Rockin' Around the Christmas Tree, O Little Town of Bethlehem, Carol of the Bells (my personal favorite), Angels We Have Heard on High, O Come, All Ye Faithful, I Heard the Bells on Christmas Day, Let it Snow!, The Most Wonderful Day of the Year, and We Wish You a Merry Christmas. Good gift for young pianist as it is pretty easy.

I picked this book for the song lineup. My daughter has taken it upon herself to learn more than her teacher has assigned and I've been hearing live Christmas music all season:-).

My daughter loves this book, and we've been enjoying listening to play the carols from this book.
